

REMARKS

Claims 1-20 are pending in the application. Claims 1-13 and 18-20 stand allowed. The Applicant respectfully thanks the Examiner for the indication of allowability as to these claims. Claims 14-17 stand objected to because of informalities.

Applicant respectfully requests reconsideration in view of the foregoing amendments and the remarks hereinbelow.

Objections to the Drawings:

Objections have been made to the informal drawings in that they do not show thyristor of claim 10, or testing circuit of claims 19 and 20. Claims 10, 19 and 20 have been amended. The Examiner's objection to the drawings are believed to be addressed by these amendments.

Objection of Claims:

Claims 14-17 stand objected to because of informalities. Claim 14 has been amended. Claims 15-17 depend upon claim 14. As amended, claims 14-17 are believed to overcome the objection.

CONCLUSION

It is respectfully submitted, that in view of the above amendments and remarks, that this application is now in condition for allowance, prompt notice of which is earnestly solicited.

Respectfully submitted,

Attorney for Applicant(s)
